

TOWNSHIP OF BESSEMER
Gogebic County, Michigan
#114-14 West End Sewer Rate Resolution - Amended

WHEREAS, the Township Board finds it necessary to review and revise the rates established to provide for payment of the expenses of administration, operation and maintenance, of the sanitary sewer systems found in the West End locations of Bessemer Township.

AND WHEREAS, the Township Board finds it necessary to keep with current charges bestowed by the Bessemer Area Sewer Authority for its West End sewer customers.

THEREFORE, the rates shall be set at **\$6.00 per thousand gallons used** to provide sanitary sewer service to the West End to be collected.

THEREFORE, the Township Board will collect past fees for all amounts that are deemed due as a result of the April 1, 2013 increase passed down to the township by the Bessemer Area Sewer Authority and therefore to its West End sewer customers.

If as a result of the collection of past fees, customers are in need of a payment plan to help alleviate any hardships, the township will draft such agreement not to exceed one year from the date of the first new billing.

NOW THEREFORE, the Bessemer Township Board sets the rates and charges for West End sanitary sewer system services as stated above to be effective upon the date noted and signed below.
