

ORDINANCE No. 123-A

GARBAGE & RUBBISH COLLECTION

Section 3. Definitions

(3) "Refuse" or "**acceptable materials for collection**" means any of the following:

- (a) Normal household garbage drained of liquid and wrapped in paper or placed in a plastic bag prior to being placed in a specially marked Bessemer Township refuse bag.
- (b) Normal household refuse including cans, bottles, paper products and other miscellaneous household refuse.
- (c) Grass clippings, leaves or other yard or garden waste, brush or branch clippings.
- (d) All marked items must be fully contained in a TIED Bessemer Township refuse bag which must weigh less than thirty (30) pounds.

(4) "**Unacceptable materials for collection**" means, but is not limited to, manufacturing or trade wastes; human and animal wastes; dead animals; hazardous materials, including but not limited to, **hot ashes, coals**, gasoline, lacquer or other explosive materials; pesticides; medical wastes; building materials; automotive type parts; and scattered refuse within any right of way.
